SUBJECT: PSI: FOLLOW-UP WITH INDONESIA

REF: A. STATE 108671

[B](#). STATE 17716

[C](#). JAKARTA 1185

Classified By: POL/C Joseph Legend Novak, for reasons 1.4 (b) and (d).

[1](#). (U) This is an action request. Please see para 4.

[2](#). (C) Mission is in the process of following up with relevant Indonesian officials to discuss the points provided ref a on the Proliferation Security Initiative (PSI). Pol/C plans to meet with Director for International Security and Disarmament Desra Percaya at DEPLU as well as Ambassador (ret.) Hasim Djalal to review the points as soon as possible.

[3](#). (C) We note that Australia has just proposed a detailed agenda, within the scope of the ongoing Australian-led collective effort to engage Indonesia on PSI (refs b and c), for a working group which would meet in the third week of August. Embassy will send a copy of the proposed agenda to the Department by email to EAP/MTS and ISN. This agenda, which consists of three sessions and includes a discussion of both policy and legal issues, offers the potential for an intensive and in-depth discussion of PSI issues with the GOI. As far as we are aware, the GOI has not yet formally agreed to the meeting.

[4](#). (C) ACTION REQUEST: Mission welcomes the Australian initiative and plans to attend. We recommend that an expert from Washington attend as well to deepen the dialogue. END ACTION REQUEST.
